Small Groups Switch-Ups:

For the month of January, our small groups will be taking a break from meeting. During this time, we will be putting the names of the new small group leaders, along with the correlating elder, before the church. Every small group will be open for sign-ups, and we pray each family or individual to do so.

We would also like to encourage our North Garland family to seek out groups that would assist you in building new relationships. Our newly formed small groups will kick-off this next cycle on February 2, which just happens to be Super Bowl Sunday.

After February, we will get back on the current schedule of meeting times, where the first Sunday of the month will be open and then groups would meet the following Sundays of the month.

North Garland Family – Please join the leadership of this congregation in a season of prayer. A search team for the **Family Minister** has been chosen, and we envision this new minister assisting parents and families in the spiritual formation of their children. We believe that God is faithful, and we believe that he has led the leadership to choose the following people, in order to discern the Spirit of God and direct our process. Again, please be in regular prayer for this church, our children/students and their families, and, especially, the search team.
