Jesus instructed his disciples to "Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you" (Matt. 28:19-20). As we read the account of the early church in Acts, it testifies that the disciples carried out Jesus' instructions. The gospel spread and thousands of souls were saved. Peter also instructs us to "Always be prepared to make a defense to any one who calls you to account for the hope that is in you" (1 Pet. 3:15). Our task as Christians is to share our faith and the good news of God's saving grace in Christ Jesus.

Questions:

1. As we personally reflect on Jesus' and Peter's instructions, how are we doing?
2. What do we need to rekindle an evangelistic spirit in our Christian lives?
3. What do we need to do at North Garland to be a more evangelistic church? (for Life Group leaders, please share your group's response to this question with Gordon or Erik).

Grace

Quote of the day: I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times I've been trusted to take the game winning shot and missed! I've failed over and over and over again in my life. And that is why I succeed. Who said that?

Lunch on me if you know the answer. It is nice to know that one of the all time greats in his sport said he has failed over and over and over.

Compare his quote to our life. How many times do we mess up ? Do we fail? But you know what? God continues to forgive us. He doesn't give up on us. I am talking about grace. It is very comforting to me that if i keep on trying, taking more shots, more chances in life , I will succeed. Not everyone will get to take that last shot with millions watching on tv, but each and and everyone one of us will get his shot in life. Prepare, be diligent, endure, and you will get your chance. That cloud of witnesses that watches over us, they are cheering you on as are we too.

Romans 15:13 says it well." May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

Get ready, get set, and Go! Take that chance, get out of your box, knowing that you are a success. By the Holy Spirit, you are filled by ALL joy and peace, trust him.

And remember this Chinese proverb. " the best time to plant a tree was 20 years ago. The second best time is now" Go plant!
