Sermon Scripture: Matthew 6.9

Sermon Thought:

The kingdom of heaven is one of Jesus' most frequent topics to teach on. As such, it is no surprise that it is included in his teaching on prayer.

Sermon Questions:

1. What do you picture when you think of God's kingdom?
2. How would you summarize what God's will is?
3. What is our part in God's will being done?

Children's Ministry

We are continually looking at what would benefit the children in our congregation. We are blessed to have a large number of younger ones coming up. As such, we will be phasing out Pilgrim's Praise at the beginning of worship and reincorporating Children's Church over the next several weeks. Children's Church will be for 3-year-olds through 1st grade and will be a time of singing, worship, and a Bible lesson during the sermon time. Gina Thornton will be heading up this ministry and will be looking for helpers and volunteers to serve in this ministry. If you are interested, please talk with Gina.

Stepping Stones Book

Gordon Jantz' new book "Stepping Stones" is available on the welcome center for the North Garland family. It is about walking with God on the spiritual stepping stones he provides to guide us toward our eternal home in heaven. At the center of the message is trusting in God who has given us Jesus, the rock of our salvation. Feel free to share copies of the book with other family members and friends.

Attention All Cooks!

The study books are now available at the welcome center on Sunday mornings and in the office during weekday mornings during August for the discount price of \$20. It can also be purchased through Amazon for \$27.80 (shipping and tax included).

You are encouraged to purchase the book before our first class so you can study the first lesson beforehand. However, there will also be study books available on the first class day.

Men's Bible Study

You are invited to join us for a men's Bible study in the children's church room, beginning in September on the 1st and 3rd Tuesday mornings at 10 a.m. At the first session we will discuss what pattern we want to follow and what to study.
